1984 was full of activity in the world and DeLand-Weldon was no exception. All of the students at DWHS made the year fun and exciting, something was always going on. If it wasn't running from the parking lot to make first hour class, it was struggling to make a

good day last or trying to stay awake for the next eight hours. For Seniors, this routine is ending and for Freshmen, the adventure is just beginning.

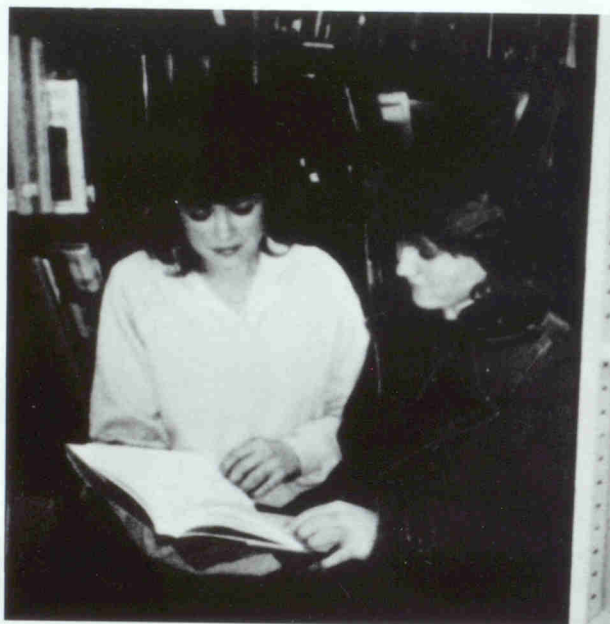

So . . . tune in to see where you fit in!!

Yming Hoh was our 1985 AFS student from Sweden. The Robert Jennings family was Yming's host for the year. Yming's hobbies include music, sports, ice hockey, and going to the Illini games. Dur-

ing the year, Yming was involved in many activities. He played baseball and basketball. He also enjoyed being in the band and being involved in school activities. What Yming misses the most

about Sweden is his band. Yming likes pizza, Chinese food, and the city life. All of us at DeLand-Weldon have enjoyed having Yming with us and hope he comes back to visit us again.

their goal — GRADUATING!

Our dream of a senior trip kept  
us busy for four years selling  
magazines, candy bars, and  
endless other items.

In May, we took our trip to St.  
Louis. As we leave D-W we will

# Hot For Teacher

Once again, the faculty has played a big role in helping students to find just what to tune in to. They have put in long hours beyond the time in class to help students, to grade papers and to perform the ultimate duty: parking lot duty!! The faculty of D-W is much appreciated, even though they're not always told!!

# Let's Go Crazy

The 1984-85 Underclassmen have had a fun year participating in various school activities. They have worked hard, played hard, and made lots of lasting friendships throughout the year. The experiences they have had will be long lasting memories, reminding them just what WDWHS held for them.

# Freshmen

The freshmen got into swing of things this year by working hard selling cake raffle tickets at the boy's basketball games. They are sure to find their place in high school and that's been obvious by all of their cooperation this year.

# We Are the World

Willing to work a little and put in some extra time? Then organizations advertised on WDWHS is for you! There were many clubs doing work for the school and the community throughout the year. These clubs were so different that no matter what your interest, there was always one for every person interested!

Get involved!!

# The Search Is Over

There are always various programs (activities) on the radio and WDWHS is no exception. Something was planned almost all the time to have fun, to award students' hard work, or to give a performance.

Involving the community, as well as the students, is part of what made WDWHS a hit!!

Graduation day finally arrived on Saturday, June 1 at 5:30 p.m. It was a time which we had eagerly awaited. Now, for the first time, we are aware that we are taking a gigantic step forward into the world. And for the first time, we are apprehensive about our futures. May we always cherish the friends and good we had during the past four years.
